It's Your Choice

- When you visit network providers, you get access to quality care at the lowest out-of-pocket costs available under your plan. Your plan also offers the **freedom to choose** the providers you prefer — even if they aren't part of the network. Your benefits are the highest when you see “participating providers”, but you're still covered for visits to other providers. Participating providers charge a discounted rate for CIGNA members. If you use a non-network provider, the provider may bill you for the difference between the billed charge and the allowed amount under your benefit plan, in addition to applicable (higher than in-network) deductibles and coinsurance amounts.
